

POP-UP PLAY!

BIG FUN, SMALL COMMITMENT

We know that buying exhibits can be a big commitment, so KidZibits has created a rental program for libraries and museums to test our some of our most popular exhibits: Pop-Up Play!

Pop-Up Play includes 5 exhibits with a variety of activity options and changeable features, all designed for easy transportation and installation. We only use the most durable and easy to clean materials to ensure each exhibit always looks its best.

Whether you need something for a month or for your entire summer program, we offer multiple rental terms to fit your needs. We also offer a rent-to-own option if you decide it's too hard to part with your exhibits.

Pop-Up Play includes:

- The Hub: A multi-sided exhibit with Light Bright, Weaving Wall, and Magnet Wall
- Play Table: An free-standing play structure with 3 rotating activity tops
- Imagination Station: Flexible role-play space with changeable signage and props

Cost:

- Rental: Negotiable
- Purchase: \$65,000

“The expectations of the library staff and patrons were exceeded by the KidZibits team. It is so rare to have a vendor promise something amazing and then deliver something beyond...”
